# From the President:

I hope you are all enjoying some good skiing. While the weather hasn't been the greatest, the snow and the grooming have been fantastic.

A big "thank-you" to Kerry Lucas for organising the Mid-Year Dinner at Rois Restaurant last week. 35 members attended and a great time was had by all. Read a full report later.

Congratulations to our newest life member, newsletter editor and membership secretary, Bill Little! Bill's citation is included elsewhere in this newsletter.

It's August already and we are into the busiest part of the ski season. There are coaching clinics, Championship events, selection races and, of course, the highlight of the season, the Kangaroo Hoppet, Australia's international popular XC ski race. As well, we have some new activities this month, so read on...

## Birkie Moonlight Ski - Thurs 11 Aug.

Ian Franzke has organised a moonlight ski for Thursday 11<sup>th</sup> August weather permitting. The moon will be almost full and will rise at 3 p.m. and set at 6 a.m. so if it is a clear night the moon should allow magnificent moonlight skiing.

6 pm Meet at Hoppet office for car pool to Falls Creek

6:45 pm Split into three groups - Fast, Cruisy and Relaxed.

8:15 pm Return to car

9:00 pm Return to Hoppet office

Night Skiing Etiquette

• Avoid skiing on freshly groomed trails unless they have set.

Do not ski alone.

## Waxing for Beginners - Mon 15 Aug.

Learn how to care for your skis, how to wax for better glide. (Why do you wax, what does it do, what is the process, what do you use, etc.)

Alastair Tutt will present a basic clinic on Monday 15<sup>th</sup> August at Flower's garage in Simmonds Creek Rd, Tawonga Sth at 7.30 p.m. This clinic will suit anyone who is a novice at basic waxing and ski preparation.

## Nordic Night at Settlers - Thurs 18 Aug.

There are lots of XC skiers staying in the area. Come and join fellow xc skiers for a Nordic Night dinner or a drink on Thursday 18<sup>th</sup> Aug from 6.30 p.m. at Settlers Tavern in Tawonga Sth. Bookings aren't necessary, but Settlers would appreciate

An indication of numbers. Contact Ronice if you are interested. 04

Short report on interclub events

### Victorian Interclub Challenge:

There are 8 events in the challenge, with points awarded to clubs for their participation rather than their results.

With good numbers at Falls Creek, our club cleaned up in the Birkie Classic, the High Plains Tour and the Interclub Relays. We had a fabulous turnout of more than 50 skiers in the relays.

The next events are at other mountains:

- Hotham to Dinner Plain (Pub to Pub) ski tour next Saturday Aug 6 at 11 a.m.

- Stirling Silver at mt Stirling on Sat 13 Aug at 11 a.m.

- Tullicoutty Cup at Mt Baw Baw on Sun 14 Aug at 10.30

Hopefully, some of our members will be there to represent us.

The final event is the Rocky Valley Rush/Sun Valley Ramble.

## Rocky Valley Rush (14km)/Sun Valley Ramble (7km)

10 a.m. Sunday 21<sup>st</sup> Aug at Falls Creek.

This is a mass start freestyle tour race and is sponsored by Snowgum Wodonga. Our club is organising it and there is an appeal for helpers elsewhere in the newsletter.

The link to enter online can be found on the Hoppet web page at http://www.hoppet.com.au

## Kangaroo Hoppet Bag Packing Working Bee

Thursday 18<sup>th</sup> Aug at 10 a.m. at the auditorium at Hoppet Office (next door to the Mt Beauty Information Centre). We need about 20 helpers for approx 2 hours to pack the race bags for the competitors. Morning tea provided and a great social atmosphere. Ph 5754 1045 if you can come.

# Europe 2010/2011 Mark Van Der Ploeg

As the Australian winter is upon us I take a chance to look back at the past European winter. For me it was a trip with lots of travel and races. The trip was all of 10 weeks long I managed to do races in 9 different locations out of a planned 10 finishing with World Championships in Oslo! For all of that though the trip didn't feel as hectic as it sounds. Credit is due to Finn for doing most of the organising and making it seem easy.

After racing in Germany, Czech Republic, Estonia, Latvia and Norway for World cups, Continental cups, National champs and FIS races my preparations were almost complete for World Champs. I had seen a steady improvement in my form and was rearing to go. All that was left before heading to Oslo was a World Cup in Drammen which was to be my first distance world cup.

In Drammen I was competing in the skate sprint and the 15k classic. The 15k was first up for the weekend and so was I (for the men anyway) because of me having the highest FIS points. Standing on the start line I was both excited and nervous and I think that showed when I started as I got off to a fast start, probably too fast but I was buoyed by the roaring crowds that were lining the track. I had a slower middle section and recovered a bit for a solid finish. The main thing I took out of that race was how much more of an impact spectators have on a distance race compared to a sprint. In a sprint it all goes so fast that you don't have time to soak up the crowds energy but in the distance races you definitely can. The sprint the next day was flat but surprisingly hard because of the lack of downhills for recovery. I had a reasonable race but nothing super.

Form here we travelled to the big show. Worlds in Oslo!

Norwegians are fanatical about cross country skiing, it is their AFL or Rugby and at the worlds it showed with the sizes of the crowds and the fact that people were camped out at the side of the course half a week before the racing even began.

My first race was the 10k classic qualifier race for the 15k classic. Which means that all skiers with more than 90 FIS points have to do the qualifier and the top 10 make it through.

With 48 starters it was looking like it would be hard to make it. I was ranked 13th so with a good ski it would be possible.

I tried to go out a bit easier than last week so that I would be able to hold pace better the whole race. At 2k Finn gave me a split that I was 4th place so far 5 seconds back. Soon after Finn I caught the skier in front of me, a Danish skier. That was at the top of the course. His skis were slightly faster than mine because he was on my tail till the end of the lap and sometimes he was pushing my poles forward as he was in a tuck behind me. After the first 5k the top 10 places were all within 16 seconds, and I was in 2nd with less than a second between me and first. I felt like I held it together pretty well in the second lap I was getting splits from Finn at about 7k that if I skied the rest of the lap fast I would have a chance at the podium. I pushed all the way to the finish and when I crossed the line I was first so far with 12 skiers behind me. About 5 seconds Ben Koons the New Zealand skier crossed the line (he was the next skier

after me) making me second 25 seconds back in 2nd place. In the end I finished 4th place behind Ben, a British skier and an Armenian skier. It was a good race for me finishing 14 seconds ahead of Ewan and my best FIS points ever of 100.3. The next day was the skate sprint.

My sprint race was consistent with my results for the rest of the season. Not as fast as I have done in earlier years and just lacking the high end.

Next was the 15k classic that I had worked so hard to qualify for. It was worth it. I had the highest FIS points of the skiers that had qualified through in the 10k race so I had bib number 1.

With number 1 I had the biggest cheers from the crowd on my first lap. It was really exhilarating with the track lined with mad cheering crowds. There was even spots where there was people calling the race with pa systems and big screens half way out on the track. My race was solid I went out hard and faded a bit in the end. Ben Koons, who started one place behind me caught me on the second lap. The race was 2 laps, one lap of 10k then one 5k lap. So Ben caught me at the top of the second lap. I couldn't quite keep with him but he didn't really get too far away by the end, maybe 5 seconds. I ended up finishing 71<sup>st</sup> out of 76 but including the people who didn't qualify there was 113.

I didn't get selected for the sprint relay so all that was left for me now was the relay. I was to be the anchor leg. I was pretty excited because the course was a 5k lap so we had a better chance of finishing if everyone skied well. For those that don't know my history with relays I have been in 2 other relays at this level. One in a world cup in a mixed nation team in Davos and again in Liberec at the world champs. Both times we were lapped before I was able to even step out on the track. If everyone had a good race here though I might even get a chance to finish. But unfortunately no one had a good race and Callum who was the 3<sup>rd</sup> skier was lapped out 7.5km into his lap. Bit of a disappointing finish to an otherwise great World Championships.

So overall a really fun and exciting World Champs with a big thanks to the Birkie club for their support throughout the years for making this trip possible.

# Birkebeiner S&R, Bush Search and Rescue Victoria

## Retirement of Jim Crebbin (one of the original 1982 Birkebeiner S&R Group)

Jim has retired from our S&R group after 29 years of very active service. Jim's knowledge of the Bogong, Hotham and Falls Creek mountains is legendary. His skills and fitness in search situations invaluable. His friendly, inclusive leadership has been highly appreciated by S&R members and all who associated with Jim. Thanks Jim.

#### Membership and Training

The Birkebeiner Search and Rescue Group has another new member, Martin Eriksson, who is teaching at Bogong Outdoor Education Centre

This brings the number of members in the group to 27.

This year Ian Franzke and David Panozzo attended the Steep Snow and Ice Training session at Mt Stirling

#### **New Callout Procedures**

All Birkie members will now receive SMS, telephone and email alerts regarding search callouts throughout Victoria.

Until recently our S&R group was alerted for searches in the North East of Victoria only.

- Searchers who are interested in attending a callout respond as appropriate to the message AND should now call the club contact (listed in order below). The contact will coordinate a suitable meeting place and time, coordinate transport and collect radios, GPS and other required equipment from the Mt Beauty Police Station.
- The Convener of Bush Search and Rescue Victoria requested an updated membership list with more specific criteria about each searcher. This information has been forwarded to Melbourne. Please keep us updated if your phone or email address changes.

#### Club Delegate Vacancy

Our Club will need a new S&R Delegate (coordinator) as from the next annual meeting in May 2012. I am retiring from the delegate position after first joining the search group in 1982 and holding the delegate and S&R Coordinator for 16 years. The main tasks for our new delegate will be:

Receiving Newsletters, agendas and minutes of meetings from BSAR

Coordinating our group for searches and training

Updating the membership list

Presenting our annual report

The club delegate does not need to be an active searcher and does not need to be a club contact.

If you would like to know more about this role please telephone me.

# **Volunteers Thank You**

The Race Committee would like to thank all those Club members who volunteered to help the Race Committee conduct cross country ski races during July.

The Race Committee is a small but very active and effective sub-committee and during July it conducted four race days – the Birkebeiner Classic on Saturday 9<sup>th</sup> July, the Ski de Femme races on Sunday 10<sup>th</sup> July and the Australia XC Ski Championships on Saturday 23 and Sunday 24<sup>th</sup> July.

The very generous support from Club volunteers, along with many volunteers from outside the Club,

helped to make all four races very successful.

The Race Committee will be conducting the Rocky Valley Rush and Sun Valley Ramble on Sunday 20<sup>th</sup> August starting at 10.00 am – which is the Sunday before the Hoppet.

The Race Committee is very confident that once again Club members, and others, will volunteer to help the Race Committee conduct this event. If you would like to help please phone me on 57544910 or email me at brian-keeble@bigpond.com
